ADDENDUM NO. 2

Date: March 5, 2013
RFP No. 13-0314

RFP Title: ONE (1) EACH WHEEL LOADER OPERATING LEASE

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with the initial bid or proposal response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

This addendum does not change the date for receipt of bids or proposals.

The purpose of this addendum is to address additional questions submitted by potential vendors. Please note that the questions and responses provided below are numbered in sequence with those addressed under addendum 1.

Question 3: Specification Section 4 MM. Does the county want a "hydraulic coupler" for quick disconnect purposes of the loader bucket or does "hydraulic oil coupler" refer to the oil service drain points used for engine oil / hydraulic oil for PM Service purposes? If it's for the bucket disconnect, does the County still want the coupler now that the Sweeper Attachment has been removed?

Answer 3: The hydraulic coupler is to serve the quick connect/disconnect function to which you have referred. Provision of equipment with this coupler remains a requirement.

Question 4: In regards to the smaller loader being offered as an alternative:
Does the county want solid tires on that unit as well or will foam filled tires be sufficient?

Answer 4: Solid Tires are required.

Question 5: Does the county want a "Pin On" bucket or bucket with "Hydraulic quick coupler" –

Answer 5: The bucket is to be provided with a hydraulic quick coupler.

Question 6: If a "loaner" unit is provided while waiting on the new unit to arrive will it require solid tires or will the standard tires be acceptable?

Answer 6: Any "loaner" unit shall be equipped with solid tires.

Question 7: Can you please explain in more detail what the county wants in regards to Item Q on P.22 "Complete Vandal protection guards" . Do you want complete coverage of the cab and all the glass or just locks on all the doors, access panels and oil / fuel fill points?

Answer 7: Provide complete vandal protection guards on all doors, access panels and fuel fill points (locks on doors and access panels and a minimum of padlock able fuel cap and cover.
